

Activate Your e-UAN Card – Step-by-Step Instructions

Dear (Candidate name),

As part of our ongoing drive to streamline access to employee benefits, we request all employees to activate their official e-UAN card using the UMANG app. UMANG (Unified Mobile Application for New-age Governance) gives you direct access to your EPF (Provident Fund), enables e-UAN card activation and download, and much more.

Below, you'll find a detailed, step-by-step guide for both Android and iOS users—including links, setup instructions, and directions for activating and downloading your e-UAN card.

Step 1: Download the UMANG App

- For Android (Google Play Store):

UMANG App – Google

Play: https://play.google.com/store/apps/details?id=in.gov.umang.negd.g2c&hl=en_IN

- For iOS (Apple App Store):

UMANG App – App Store: <https://apps.apple.com/in/app/umang/id1236448857>

Install the "Aadhaar Face RD" app as well if prompted during steps below.

Step 2: Install and Register on UMANG

1. Install the UMANG app using the link above.
2. Open the UMANG app.
3. Register/Login:
 - For new users, tap "Register" and enter your mobile number.
 - Verify with OTP and set your MPIN.
 - Existing users can log in using their MPIN or registered number and OTP.

Step 3: e-UAN Card Activation and Download – Step-by-Step

1. Open UMANG app.
2. Go to All Services and select EPFO.
3. Tap on UAN Allotment & Activation (for first-time users) or log in using your UAN.
4. Enter your Aadhaar Number and the mobile number linked to Aadhaar.
5. Tick the consent box and tap Get OTP. Enter the OTP sent to your Aadhaar-registered mobile.
6. If prompted, complete a face scan using the "Aadhaar Face RD" app.

7. Upon successful authentication, your UAN and a temporary password will be sent via SMS.

8. Go back to the EPFO section in UMANG, log in with your UAN and password.

9. Select Download UAN Card / e-UAN Card.

10. Your e-UAN card will be available to view and download as a PDF.

Additional Notes

- Your e-UAN card serves as your official EPFO member ID—download and save it for future use.

- If you face issues during face authentication, ensure the Aadhaar Face RD app is installed and updated.

If you need help or have questions, please reach out to HR or reply to this email.

SUBMISSION OF EPFO DETAILS AND KYC DOCUMENTS FOR PF REGISTRATION

Dear (Candidate Name),

Welcome to **Kiaq Technologies!**

As part of your on boarding and for processing your Provident Fund (PF) registration under EPFO, we request you to kindly submit the following information and documents:

If you have an existing EPFO account:

Please share the following details:

- **UAN (Universal Account Number)**
- **Previous PF Member ID (if available)**
- **Name of the previous employer**
- **Date of leaving your previous organization**

This will help us link your existing EPF account with our organization and ensure smooth continuation of contributions.

If this is your first time registering with EPFO:

Please submit clear copies of the following KYC documents:

- **PAN Card**
- **Aadhaar Card**

These documents are mandatory for generating your UAN and registering you under EPFO.

If you were not registered under EPFO with your previous employer:

Please provide a brief explanation confirming that your previous organization did not create an EPFO account on your behalf. This helps us update our internal records and proceed accordingly.

Please submit the above details/documents to the email id – statutorycompliance@kiaq.in

For any assistance or clarification, feel free to contact the HR team at statutorycompliance@kiaq.in.
