

KIAQ TECHNOLOGIES PVT LTD — LAPTOP USAGE POLICY

IT & Human Resources Department | Effective: June 2026

Policy Title	Company Laptop Usage Policy
Applies To	All Employees, Interns
Issued By	IT Department / Human Resources
Review Date	Annually or as required

ZERO WARNING POLICY

Any violation of this policy results in **DISCIPLINARY DISMISSAL** — no verbal or written warnings will be issued.

1. Purpose & Scope

This policy governs the use of all company-issued laptops. It protects company data, ensures productivity, and safeguards information systems. Compliance is mandatory from the date of device issuance.

Please note that any act classified as **IMMEDIATE TERMINATION** under this policy will lead to **DISCIPLINARY DISMISSAL** — the formal termination process carried out in accordance with Kiaq Technologies Pvt Ltd’s disciplinary framework, without any verbal or written warnings.

There are NO verbal warnings, NO written warnings, and NO second chances. Any violation of this policy results in Disciplinary Dismissal.

2. Authorised Email Accounts

Only the accounts below are permitted on company-issued devices. Use of any other account is a terminable offence.

Account Type	Format / Description	Status

Note: Wilful destruction or damage of company-issued hardware shall not result in immediate termination. However, such conduct will attract a financial penalty and/or disciplinary action in accordance with Kiaq Technologies Pvt Ltd's internal company policy. The extent of the penalty shall be determined by the Management based on the nature and severity of the damage.

4. Permitted Uses Only

Company laptops are exclusively for:

- Official business communications via authorised email accounts only.
- Work-related research, documentation, and project deliverables.
- IT-approved software, tools, and internal systems.
- Official video/audio conferencing — Cliq (Zoho) ,Microsoft Teams, Google Meet (company accounts only).
- Company-approved cloud storage and file-sharing platforms.

5. Monitoring & Consent

By accepting a company-issued laptop, employees acknowledge and consent to:

- Full monitoring of all activities on the device at all times.
- Periodic IT audits without prior notice.
- Remote access, inspection, or wiping of the device if required.
- IT cross-verification of asset tags and device usage logs during audits.
- Use of tracking software installed on company-issued devices to monitor, record, and review employee activities, including application usage, internet browsing, screen activity, and file transfers, at any time without prior notice.

6. Employee Acknowledgement

All employees must sign the Employee Policy Acknowledgement Form upon device receipt, confirming they have read, understood, and agree to this policy. Ignorance of this policy will not be accepted as a defence.
